including programs to support both scholarly and professional development; to support the improvement of teaching; to allocate such research funds as to support research; to represent the faculty on the award of pre-tenure paid research leaves; to make recommendations on such leaves to the Dean of the Faculty; to award the annual Edwin Moseley Faculty Research Lecturer and the Raeburn Award for Excellence in Teaching. A complete list of the awards for 2005-2006 is at the end of this report.

FUNDING SOURCES

The 2004-05 FDC developed a proposal for a new faculty development program entitled the Dean's Sabbatical Fellowship. This proposal was presented to the Dean, Glotzbach in May 2005. The new Dean of the Faculty was named in June on her arrival. The committee was informed that the proposal

strategic plan. Discussions will continue through the summer and into the fall with
