A Resolution Supporting Diplomatic Mechanisms

Whereas, the U.S. government has determined that Iraq possesses and may be proliferating weapons of mass destruction, and

Whereas, diplomatic solutions have not been exhausted, now, therefore, be it

Resolved, that the Skidmore Student Government Association urges the Bush Administration to rely upon diplomatic mechanisms such as weapons inspections, negotiation, inquiry, mediation, regional arrangements, and other peaceful means, to ensure that Iraq is not further developing or proliferating weapons of mass destruction.
